

# Call to Action #3: Energy and Transportation

Call To Action: Email Campaign to City Councils & County Commissioners

Email them and urge their support for Thurston Climate Mitigation Plan, especially actions related to Solar Energy and Electric Vehicle Transportation:

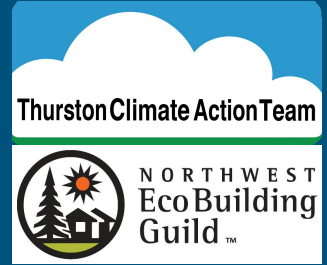

- Adopt Solar-ready and EV-ready building code appendixes
- Expand community solar and join [Solsmart.org](https://www.solsmart.org)
- Require dedicated EV parking in new commercial and multifamily buildings
- Lead by Example with Energy Retrofits, Solar and EV for all City/County buildings

Be sure to:

- Say you are part of Thurston Climate Action Team, and/or the NW EcoBuilding Guild, S. Sound Chapter
- Type your name and address, or insert a signature, at the end of your email
- Copy or forward your email to [lynn@thurstonclimateaction.org](mailto:lynn@thurstonclimateaction.org)

# Call to Action #3: Energy and Transportation

Email Campaign April 1 - April 30

## Email City Council and County Commissioners:
